## **VISITATION CHANGES**

We are happy to report some changes to our visitation schedule that we hope will help staff, but more importantly, allow for even more family visits!

We are streamlining our visitation days to Monday, Wednesday and Friday from 2 pm-3 pm. We can also accommodate two families on Saturdays at 2 pm. This allows for multiple families to visit each of those days. Here is how it will work:

- 1) Please continue to call and preschedule your visit**
- 2) When you arrive, please go directly to the back of Clark Meadows and come in to the Dining room, where many of you have visited previously.  
Please DO NOT come to the main entrance!**
- 3) Pre-screening will take place in the dining room: masks required throughout your visit & social distancing in the apartment!**
- 4) Staff will escort you to family members apartment for your 1 hour visit**
- 5) NOTE: Please refrain from eating or drinking in the apartment!**
- 6) Staff will escort you back to the Dining room and out of the building**

## **OUT OF STATE VISITORS**

Governor Cuomo signed an Executive Order as of April 1<sup>st</sup>. Travelers entering New York State no longer need to quarantine.
