

# CLARK MEADOWS AT FERRIS HILLS

For the health, safety and protection of everyone in our community, we are asking that residents **DO NOT** leave the building at this time. Please let us know if there are items you absolutely need at this time, and we will do our best to assist you in getting them.

This greatly reduces your chance of coming in contact with others who may be symptomatic and the chance of bringing that back to our Community. We are listening to the directives from the NYS Department of Health and the CDC as they are ever changing. Our goal is to keep our Residents and Staff as healthy as possible.

If you leave the building at this time, upon return you must have meals in your apartment and refrain from any and all communal events. You will be required to wear a mask when you are in any part of the community, and your temperature will be taken every 12 hours for a period of 14 days.

As always, if you have any questions about these developments, please feel free to contact any of the staff here in Clark Meadows.

*Jennifer Army, Program Manager*
