

# CLARK MEADOWS AT FERRIS HILLS

August 20, 2020

Good afternoon Family and Friends,

Extra, Extra....read all about it! Clark Meadows residents all seem to have a spring in their step! Trina has been very busy all week and we are all enjoying the before and after makeovers here in the community! Thank you all for your patience!

Visits are going well and we encourage you to call in to sign up for your next one. Again, there is a maximum of two visitors per thirty minute visit. Please try to arrive five to ten minutes early to complete the pre-screening process prior to your visit. You may pull up in the circle in front of Clark Meadows and call the main desk at 585-393-4330 to let us know you have arrived. **Feel free to bring items for your loved one. You may hand them to the staff person who pre-screens you.** Contact Rebecca or Lynne to sign up today!

Our Nurse Care Coordinator, Terry reports that our Flu Clinic will be in early October this year. The high dose flu shot is being made available for our folks. More details as we get closer to October.

As always, if you have any questions or concerns, please do not hesitate to call me. Stay well.

Sincerely,

Jennifer Army  
Program Manager
