

# CLARK MEADOWS AT FERRIS HILLS

December 18, 2020

Good afternoon Family and Friends,

We are happy to report that we continue to be **COVID-free** here at Clark Meadows. You have all heard by now that the vaccine has begun to be distributed. Here at Clark Meadows, staff will receive the vaccine first. As for the residents, we are awaiting paperwork and directives from CVS Pharmacies as to when the in-house vaccinations will begin. We do **not** have a specific date at this time, but as we receive additional details, we will be back in touch.

We are scheduling visits in to January at this time. As a reminder, all visitors need to come to the front of Clark Meadows and call us when you arrive. Staff will come to your vehicle to pre-screen you. Please call Lynne or Rebecca to schedule your visit. As a reminder, Zoom and Face time calls can be arranged to help you stay connected with your loved ones. Please contact Rebecca at (585) 393-4330 or by email at [Rebecca.wallace@thompsonhealth.org](mailto:Rebecca.wallace@thompsonhealth.org) to arrange for a video chat.

This week, staff participated in an evening of Caroling at each of the resident apartments. This event truly lifted all of our spirits as we sang favorite holiday songs and jingled our way through the community! A Christmas Celtic Tea Party, Holiday Jeopardy, Ugly Sweater Day and finally a *huge* Holiday Bingo wrapped up the week. We would like to offer up a “shout out” to Jody and Kristen for continually offering activities to the residents during these challenging times. Kudos to them!

As always, if you have questions or concerns about anything at all, please give me a call.

Sincerely,

Jennifer Army

One Clark Meadows, Canandaigua, NY 14424, (585)393-4330 [clarkmeadows.com](http://clarkmeadows.com)
