Ferris Hills at West Lake has two outdoor events coming up, and you're invited to both!

On Wednesday, Aug. 18, at 3 p.m., our residents are holding a luau in our center courtyard. With Tom Dunn providing live music through 4 p.m., the luau will feature a pig roast and tropical fare.

Then on Thursday, Sept. 9, Ferris Hills will host a car show from 11 a.m. to 2 p.m. Makes and models of all kinds – from classic cars to muscle cars and more – are expected at this event, where Jeff Elliott will perform in the gazebo from noon to 2 p.m. Hamburgers and hot dogs will be available for purchase.

The car show is open to the public, but if you're interested in joining us for the luau as well, please RSVP to Claire Watson at (585) 393-0410.

Back in the Swing of Things

Joan Danaher and Marcia Stock were among the residents at a June Red Wings game.

Taking in a Rochester Red Wings game at Frontier Field, touring Bully Hill Vineyards and enjoying a Rochester Philharmonic Orchestra performance are just a few of the ways Ferris Hills at West Lake residents have been experiencing the best of what the region has to offer this summer.

After a quiet summer of 2020 – when folks social distanced to remain safe – the return to normal

Hodgson, an AP World History teacher at Greece Arcadia High School.

For Judge David Brind, one of the best things about getting back to normal is hosting Saturday afternoon social hours in his apartment before dinner. Some residents have a cocktail and some don't, he said, but everyone enjoys good conversation.

Another highlight for Brind this summer has been having his grown children in town with their families. Twice, he hosted them in Ferris Hills' dining room, where he describes the food as "excellent."

"That was wonderful. We had a terrific time and a great dinner too," he said. "It was a treat."

For resident Dawne Gould, the return to normalcy means enjoying a variety of card games with friends, as well as taking part in many of the day trips offered. She enjoyed the visit to Bully Hill and was also among those on the June Red Wings trip.

"It was a beautiful night and we had so much fun," she said, adding, "We're all one big family and we have such a good time together."

is a welcome development, according to Resident Services Manager Claire Watson. "There's a lot of movement, and it feels good," she said, noting other recent group outings have included Eastview Mall and Genesee Country Village & Museum.

With a visit to the Corning Museum of Glass and tickets to "Beyond Van Gogh: The Immersive Experience" in Buffalo in August, Ferris Hills residents have also been enjoying a number of on-site events. These have included hosting local bands for Sunset Serenades concerts in the courtyard and a Thursday afternoon series from returning guest lecturer Sarah

Recent Events

A concert from a string quartet called ATLYS and a Memorial Day commemoration are just two of the occasions during which our fully vaccinated residents gathered in recent months.
